Chapter II. Shares

Article 5. Total Number of Shares

The total number of shares authorized to be issued by the Company shall be 120,000,000 shares.

Article 6. Par Value

The par value of each share to be issued by the Company shall be KRW 5,000.

Article 7. The total number of shares to be issued at the time of the Incorporation of the Company

The total number of shares to be issued by the Company at its incorporation shall be 21,472,623.

Article 8. Classes of Shares

- ① The shares to be issued by the Company shall be common shares and class shares, both in registered form.
- ② The class shares to be issued by the Company are class shares concerning the dividends of profits, shares limiting or excluding voting rights, redeemable shares, convertible shares, and shares blending all or some of the aforesaid shares.
- ③ The total number of the class shares to be issued by the Company shall not exceed 30,000,000.

Article 9. The Number and Contents of Class Shares ①

- ① The Company may issue class 1 non-voting dividend class shares (hereinafter referred to as

“Class 1 Class Share”) having priority in dividends of profits, and the number of such shares to be issued shall be not more than 30,000,000.

- ② The payments of dividends for the Class 1 Class Share shall be made in the manner of non-participation and non-accumulation.
- ③ The Class 1 Class Share shall be paid in cash additional one percent per annum of the par value in addition to the dividend for the common share. However, that does not apply, if share dividend is made.
- ④ In case where a resolution of not paying dividends for the Class 1 Class Share is made at a general meeting of shareholders, the Class 1 Class Share shareholders shall be granted voting rights from the opening date of the general meeting of shareholders immediately following the general meeting of shareholders at which a resolution for the non-payment for the Class 1 Class Share is made, until the closing date of the general meeting of shareholders at which a resolution for payments of the preferred dividends is made.
- ⑤ Issuance of additional shares for value or for free: In case of the issuance of additional shares for value, the distribution of new share dividends for the Class 1 Class Share shall be made with common shares. In case of the issuance of additional shares for free, they shall be made with the Class 2 Class Share.
- ⑥ The preferred term of the Class 1 Class Share shall be unlimited.

Article 10. The Number and Contents of Class Shares ②

- ① The Company may issue class 2 non-voting dividend class share (hereinafter referred to as “Class 2 Class Share”) having priority in dividends of profits, and the number of such shares to be issued shall be not more than 30,000,000.
- ② With respect to the Class 2 Class Share, in case of the issuance, equal to or greater than one percent of its par value but not more than twelve percent thereof, the payments for preferred dividends as per the preferred proportion determined by Board of Directors shall be made.
- ③ In case where the dividend rate of common shares exceeds the dividend rate of the Class 2 Class Share, the amounts of dividends in excess shall be paid in the rate of dividends identical to that of common shares.
- ④ In case where, for any fiscal year, dividends have not been paid on the Class 2 Class Share, such unpaid dividends shall be preferentially paid on a cumulative basis at the time of payment of dividends for the subsequent fiscal years.
- ⑤ In case of a resolution of not paying dividends on the Class 2 Class Share, the Class 2 Class Share shareholders shall have voting rights from the opening date of the first general meeting of shareholders following the general meeting of shareholders at which a resolution for non-payment of dividends is made, until the closing date of the general meeting of shareholders at which a resolution for the payment of the preferred dividends is made.
- ⑥ Issuance of additional shares for value or for free: In case of the issuance of additional shares

for value, the distribution of new share dividends for the Class 2 Class Share shall be made with common shares. In case of the issuance of additional shares for free, they shall be made with the identical class shares.

- ⑦ The duration of the Class 2 Class Share shall be ten years from the date of issuance thereof, and it shall be converted to common share contemporaneously with the expiration of such duration. However, in case where the dividends is not paid during the said period, the aforementioned period shall be extended until such unpaid dividends is paid in full. In that case, the Article 16 hereof shall apply, mutatis mutandis, with respect to payments of dividends of profits on the shares issued as the result of such conversion.

Article 11. The Number and Contents of Class Shares ③

- ① The Company may issue class shares by the resolution of the Board of Directors that the Company or shareholders have the option for the redemption (hereinafter referred to as the “Redeemable Share”), the number of the shares to be issued shall be not more than 30,000,000.
- ② Pursuant to the each clause below, the Redeemable Share may be redeemed at the option of the Company, or the shareholders may request the redemption against the Company, or it may be the type which blends two methods of redemption, which may be determined at the time of issuance of the Redeemable Share by the resolution of Board of Directors.
1. The redemption price for the Redeemable Share shall be “issuing price plus additional price”, and the additional price, which shall not exceed ten percent per annum, shall be determined at the time of the issuance by the resolution of the Board of Directors with the consideration of dividend rate, circumstances of markets, and other circumstances relevant to the issuance of the Redeemable Share. However, in case of the adjustment of the redemption price, the fact that the Board of Director may adjust the redemption price, reasons for the adjustment, base date for the adjustment and method for such adjustment shall be determined.
 2. The redemption period of the Redeemable Share shall be determined by Board of Directors within the duration between the following date of the closing date of an ordinary general meeting of shareholders for the fiscal year on which the issuance date falls and the date on which one-month period ends after the closing date of an ordinary general meeting of shareholders for the fiscal year on which the fifteenth anniversary of the issuance date falls. However, irrespective of the lapse of the redemption period, if any of the following cases occurs, the redemption period shall be extended until resolution of relevant case:
 - a. In case where preferred dividend for the Redeemable Share is not fully paid; or
 - b. In case where redemption is not made during relevant redemption period due to shortage of the profits of the Company.
 3. In case of the redemption at the option of the Company, the Redeemable Share may be redeemed by single or installment payment by the Company. However, in case of installment payment, the redeemable shares may be determined by either draw or proportional distribution, and fractional shares created as the result of the proportional distribution will not be redeemed.

4. In case of the redemption at the option of the Company, no later than two weeks prior to the date of acquisition of the redeemable shares, the Company shall notify the particulars of the redemption to the shareholders of the redeemable shares and interest-holders stated in the register of shareholders or make public notification.
 5. In case where shareholders request the redemption against the Company, the shareholders may request such redemption by either one payment for all Redeemable Shares or installment payment. However, in case where the distributable profit of the Company is not sufficient, the Company may redeem by installment payment. In case of such installment payment, the Company may determine the redeemable shares by either draw or proportional distribution, and fractional shares created as the result of the proportional distribution will not be redeemed.
 6. In case where shareholders request redemption against the Company, the shareholders shall inform the Company of the redemption and redeemable shares with a prescribed period equal to or more than two weeks.
- ③ As a consideration for acquisition of the Redeemable Share, the Company may provide securities(excluding other different classes of shares) or any other assets other than cash.
 - ④ In case where the convertible shares of Article 12 are issued as redeemable shares which may be redeemed by the option the Company, the Board of Directors may determine the order of priority between exercising conversion right of shareholders and exercising redemption right at the option the Company.

Article 12. The Number and Contents of Class Shares ④

- ① The Company may issue class shares, by the resolution of the Board of Directors, that the Company or shareholders have conversion rights (hereinafter referred to as the “Convertible Share”), and the number of the issued shares shall be not more than a fifth (1/5) of total number of issued shares with voting rights.
- ② Pursuant to the each clause below, the Convertible Share may be converted at the option of the Company, or the shareholders may request the conversion against the Company, or it may be the type which blends two methods of conversion, which may be determined at the time of issuance of the Convertible Share by the resolution of Board of Directors.
 1. The shares to be issued by the conversion are common shares
 2. The conversion ratio, in principle, is one Convertible Share to one common share. If necessary, given all relevant circumstances, matters necessary for the conversion (conversion ratio, adjustment of the conversion ratio, and so on) may be determined otherwise by the resolution of the Board of Directors at the time of issuance.
 3. Causes for the conversion are as follow:
 - a. In case where the Company chooses to convert, the cause that the Company may choose to convert shall be determined by the Board of Directors at the time of issuance; or
 - b. In case where shareholders request the conversion.

4. The total issuing price of new shares issued by the conversion shall be the total issuing price of shares prior to the conversion.
5. The period for the conversion or request for the conversion shall be determined by the resolution of the Board of Directors at the time of issuance, which will be between one month after the issuance date and thirty years after the issuance date. If the conversion right is not exercised during the period, it shall be deemed that the conversion is made on the last date of the period.
6. The article 16 shall apply, mutatis mutandis, with respect to payments of dividends on the shares issued as a result of the conversion.
7. Other conditions and details of the Convertible Share shall be determined by the resolution of Board of Directors.

Article 13. Electronic Registration of Rights to be displayed on Share Certificates and Certificates of Preemptive Right to New Shares

Instead of issuing shares certificates and certificates of preemptive right to new shares, the Company shall electronically register the rights that must be indicated on the share certificates and certificates of preemptive right to new stocks in the electronic register of the electronic registry.

Article 14. Preemptive Rights

- ① Shareholders of the Company shall have the preemptive rights to subscribe for the new shares in proportion to the number of shares owned by the shareholders.
- ② Notwithstanding sub-article ① above, the new shares may be issued to persons other than shareholders (inclusive of the shareholders of the Company), in case where the Company:
 1. offers new shares to the public in the manner of priority issue for shareholders;
 2. offers new shares to the public, to the extent that the number of such new shares does not exceed 30/100 of the total number of issued shares;
 3. issues new shares to domestic and overseas financial institutions or institutional investors for the purpose of raising emergency funds, to the extent that the number of such new shares does not exceed 20/100 of the total number of issued shares;
 4. issues new shares to certain persons for the management purpose of the Company (introduction of important technology in business, improvement of financial structure, research and development, production, sales, capital alliance, and so on), to the extent that the number of such new shares does not exceed 20/100 of the total number of issued shares;
or
 5. issues new shares in accordance with issuance of depositary receipts (DR), to the extent that the number of such new shares does not exceed 20/100 of the total number of issued shares.
- ③ In case where new shares are issued to persons other than the shareholders pursuant to the sub-article ②, the Company shall notify or make a public notification to the shareholders as to the matters prescribed in Article 416 (1), (2), (2-2), (3), and (4) of the Commercial Act by no later

than two weeks before the date of payment. However, pursuant to Article 165-9 of Capital Market and Financial Investment Business Act, main issues report may be made by no later than one week before the date of payment by public notification at Financial Services Commission and Korea Exchange instead of the notice or public notification.

- ④ In case where new shares are issued in accordance with any of clause of sub-article ②, the number, classes, issuing price of shares, and so on shall be determined by a resolution of the Board of Directors.
- ⑤ In case where a shareholder waive or forfeits his/her preemptive right to subscribe for new shares or where any fractional shares are created in the course of allotting new shares, the method of handling them shall be determined by a resolution of the Board of Directors.

Article 15. Stock options

- ① The Company may grant its executives and employees(including executives and employees of the Company's affiliated company stipulated in Article 30 of the Enforcement Decree of the Commercial Act. This definition applies the same in this Article) stock options by a special resolution of a general meeting of shareholders, to the extent not exceeding 15/100 of the total number of issued shares. However, such stock options may be granted to the persons other than directors of the Company by a resolution of the Board of Directors, to the extent not exceeding the limit prescribed in the Article 30 of the Enforcement Decree of the Commercial Act. In case where granting stock option is made by a resolution of the Board of Directors, the Company shall obtain the approval of the first general meeting of shareholders convened following the resolution. The stock options granted by the resolution of general meeting of shareholders or the Board of Directors may be linked to the performance of the Company measured by targeted managerial results, capital market indices, or others.
- ② Those who are eligible for stock options shall be the persons who contribute or are capable of contributing to the Company's incorporation, management, overseas sales, or technological innovation, and the like.
- ③ The shares to be delivered as a result of the exercise of stock options hereunder (if the difference between the share price at which such stock options are exercised and the market price of the share is paid in cash or treasury share, the shares on the basis of which such difference is calculated) shall be determined among the shares set out on Article 8 by a resolution of a general meeting of shareholders or the Board of Directors granting the stock options.
- ④ The number of executives and employees who are eligible for stock options shall not exceed 30/100 of the total number of executives and employees then in office in the Company, and the stock option that may be granted to one executive or employee of the Company shall not exceed 5/100 of the total number of issued shares.
- ⑤ A share price at which the stock option is exercised shall not be lower than each of the following prices. This provision shall also apply to the case where the relevant exercise price of stock option is adjusted after the grant of stock options:
 - 1. If new shares are to be issued and delivered, the higher of the following prices:

- A. the market value of relevant shares on the date on which such stock option is granted; or
- B. the face value of relevant shares.

2. In case of transfer of treasury shares, the market value of relevant shares on the date on which such stock option is granted.

- ⑥ A stock option may be exercised within seven years from the immediately following date of the third anniversary of the resolution date mentioned in the sub-article ① above.
- ⑦ A person who is granted a stock option is entitled to exercise the stock option, if he/she has been in office in the Company or employed by the Company at least for two years from the date of the resolution mentioned in the sub-article ① above. However, if the said grantee dies within two years from the resolution date in sub-article ①, or resigns from or leave the Company without his/her fault, such stock option may be exercised within the period in the sub-article ⑥ above.
- ⑧ The article 16 herein shall apply, mutatis mutandis, with respect to payment of dividends of profits on the new shares issued as a result of the exercise of the stock options.
- ⑨ The grant of a stock option may be cancelled by a resolution of the Board of Directors, if:
 - 1. After the grant of such a stock option, the grantee voluntarily resigns from or leave the Company;
 - 2. The grantee causes material damages to the Company by willful acts or negligence;
 - 3. The Company is unable to respond to the exercise of stock option due to the Company's bankruptcy, dissolution, or the like; or
 - 4. The occurrence of any event constituting any cause of cancellation on the relevant stock option agreement.

Article 16. Commencement Date for Dividends on New Shares

With regard to payment of dividends of profits on the new shares issued as a result of issuance of shares for value or for free or share dividends, such new shares shall be deemed to have been issued at the end of the fiscal year immediately preceding the fiscal year of such issuance.

Article 17. Transfer Agent

- ① The Company shall appoint a transfer agent.
- ② The transfer agent, its office and the scope of services to be provided by the transfer agent on behalf of the Company shall be determined by a resolution of the Board of Directors.
- ③ The Company shall keep its shareholders' register or its duplicate at the transfer agent's office, and have the transfer agent handle the electronic registration of shares, management of shareholders' register, and other share-related matters.

- ④ The procedure for handling the matters on the sub-article ③ above shall be in line with the relevant work rules determined by a transfer agent.

Article 18. Record Date

- ① The Company shall deem the shareholders whose names appear on the register of shareholders on December 31 of each year to exercise their rights as shareholders at the ordinary general meeting of shareholders to be convened in respect of the settlement period.
- ② If it is necessary to convene an extraordinary general meeting of shareholders or otherwise, the Company may deem the shareholders whose names appear in the register of shareholders on the date specified by a resolution of the Board of Directors to be the shareholders who are entitled to exercise their rights. The Company shall make public notification of it two weeks in advance.

CHAPTER III. BONDS

Article 19. Issuance of Convertible Bonds

- ① The Company may issue convertible bonds to persons other than shareholders (inclusive of the shareholders of the Company) by a resolution of the Board of Directors, if the Company:
1. issues convertible bonds through public offering or public offering in the manner of priority issue for shareholders, to the extent that their aggregate par value does not exceed KRW 400,000,000,000;
 2. issues convertible bonds to domestic or overseas financial institutions or institutional investors, for the purpose of raising emergency funds, to the extent that their aggregate par value does not exceed KRW 400,000,000,000;
 3. issues convertible bonds for the purpose of the foreign investment under the Foreign Investment Promotion Act, for the Company's managerial reasons;

 5. issues convertible bonds in the manner of private placement for the Company's other managerial reasons.
- ② With respect to the convertible bonds in sub-article ① above, the Board of Directors may determine that they may be issued on the condition that only a portion of the convertible bonds shall have the conversion rights.
- ③ The shares to be issued as a result of conversion of such bonds shall be common shares or class shares, and the applicable conversion price shall be equal to or higher than the par value, as determined by the Board of Directors at the time of issuance of such bonds.

- ④ The period in which holders of convertible bonds are entitled to make a request for conversion hereunder shall begin on the next date of issuance thereof and end on the day immediately preceding the maturity date thereof. However, the period for requesting conversion may be adjusted by a resolution of the Board of Directors within the aforementioned period.
- ⑤ The Article 16 hereof shall apply, mutatis mutandis, to the payment of dividends of profits on the shares to be issued as a result of conversion and the payment of interest on such convertible bonds.

Article 20. Issuance of Bonds with Warrants

- ① The Company may issue bonds with warrants to persons other than shareholders (inclusive of the shareholders of the Company) by a resolution of the Board of Directors, if the Company:
 - 1. issues bonds with warrants through public offering or public offering in the manner of priority issue for shareholders, to the extent that their aggregate par value does not exceed KRW 400,000,000,000;
 - 2. issues bonds with warrants to domestic or overseas financial institutions or institutional investors, for the purpose of raising emergency funds, to the extent that their aggregate par value does not exceed KRW 400,000,000,000;
